MESSAGE FROM MISS BLACKBURN

Dear parents and carers,

This will be just a brief message as we are travelling back from Paris with the Year 5 and 6's from our Summer Camp. Once again, the children have been a credit to our school and it's been a pleasure to share this experience with them over the past week.

Everyone back at school appears to have been working hard and I think we are all looking forward to having the next 2 weeks off to relax and unwind.

May I wish you all a wonderful half term break and I look forward to seeing everyone again on Monday 10th June.

Paula Blackburn

REMINDERS

If you arrive after 8.45 (KS2) or 9.00 (KS1) please take your child to the office to sign them in.

If your child is going to be off, please phone the school office, 01326 572618, before 8:45am.

Take care with children when crossing the road as some traffic is travelling very fast.

Please do not park across the staff car park and obstruct the entrance.

ECO CLUB

We learned about the importance of bees this week and the vital part they play in the reproduction of plants, many of which we rely on for food! We strategically placed out our bug hotels in the hope of providing more of them with a sanctuary. These bug hotels have been fun and easy to make and a great way of recycling. If you have been inspired to make any at home, we would love to see photos and it will help with our Green Flag Eco School status.

We checked some of our recent plantings and made sure they were watered and healthy. The growth of the potatoes amazed us!

Very happy that our litter haul was even smaller and mostly paper that we could recycle.

Don't forget it's not too late to borrow some litter pickers and get picking over half term. If you do, please share photos of your haul.

Wishing everyone a sunny and litter free half term.

NEURODIVERSITY TOOL INFORMATION

Parents of children and young people who are showing signs of neuro-developmental needs can now access a new tool which can help identify what support would be beneficial.

Here are the details of an online event which you can sign up to:

<https://www.eventbrite.com/e/information-session-for-parentscarers-on-the-neurodiversity-profiling-tool-tickets-893656870757>

POLDHU CLASS SCROUNGE

Year 5/6 are doing a STEM project next half term and will need lots of cardboard, boxes, clean plastic bottles, pipes, tubes, plastic pots, straws, and other modelling junk, wool, string, bottle tops etc.

If it has potential to be fashioned into something else, we want it please!

SCHOOL MONEY

Please may we remind everyone that we are now down to a final few weeks in school before we break up for the summer.

We ask for everyone to pay off as much as you can towards school money to clear your accounts before we break up.

In particular, those children in Year 6 will be leaving and it is essential that all debts are cleared before the end of July.

If anyone is struggling to make payments, please let us know so we can work out a way to help.

BE PREPARED!

As the weather can be unpredictable, please can all children come to school equipped with sun cream, sun hats and raincoats - so we are prepared for all eventualities?

Thank you!

HOUSEHOLD SUPPORT FUND

The entitlement criteria for automatic payments from the Household Support Fund is changing.

To be entitled to a payment from the Household Support Fund in 2024, you must be responsible for at least one child and on 3rd June 2024 either:

- be entitled to Council Tax Support or
- have been placed in emergency accommodation by the Council

You will receive £80 per child. If you are already in receipt of Council Tax Support, then you will receive your payment automatically.

To find out if you are eligible for Council Tax Support, please check the information here <https://www.gov.uk/benefits-calculators> .

You can make a claim for Council Tax Support by using this link <https://www.cornwall.gov.uk/benefits-and-support/council-tax-support/apply-for-council-tax-support/>

It is important that you submit your application by 31st May 2024.

You may also be entitled to help from the Household Support Fund via one of the Household Support Fund partners. Details are:

<https://www.cornwall.gov.uk/benefits-and-support/household-support-fund/>

Why have we made this change?

Because entitlement to Free school meals has been protected since 2018, parents of children entitled to free school meals aren't always still on a low income. By using Council Tax Support data, we can ensure that the Household Support Fund is going to parents who currently have a low income and are struggling with the increased costs of running their home. By better targeting the awards, we are able to help families with children of any age, rather than just school age children.

Families of children in receipt of free school meals can still access help through the Time2Move holiday programme. This scheme offers fun physical activities, games and wider activities plus a meal for all children during the main school holiday periods.

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
