**MESSAGE FROM MISS BLACKBURN**

Dear parents and carers,

We are now half way through a busy Spring term, and despite coughs and colds we have all made our way to a very well deserved half term break!

I am sorry to say that we still have quite a few late arrivals in the mornings, and I hope that the better weather and lighter mornings around the corner will help to bring those numbers down. Thank you to everyone who comes to school in time for the start of the school day, your children are in the majority - but there are still a few children who are coming into classes late. This is not only disruptive to the class and the teachers, but also stressful to the child entering a class during lesson time. Please can I ask all parents to make a real effort to bring their children into school on time.

I do hope everyone is looking forward to their week's break; it's a good chance to relax, refresh and to enjoy where we live.

Finally, may I wish you all good health and a wonderful half term break. School is back on Monday 19th February.

Paula Blackburn

## CLASS UPDATE

### Church Cove Class

We have had a very busy few weeks in Church Cove Class! We started swimming last week at Helston and the class have shown amazing resilience with how hard they are working in the pool.

We have been learning to write persuasive leaflets about Ancient Egypt in English, learning to collate and interpret data in Maths, studying rocks and minerals in Science, and learning colours and numbers in French.

We have also been learning and retaining a bundle of information about Ancient Egypt in Inquiry, from gods and goddesses to the old and new kingdoms.

### Fantastic Footballers

Well done to Alfie, Wilbur, Max and Sunke who took part in the School Football League at Helston School this half term. Team Boskenwyn and Germoe finished top of the league alongside Godolphin after winning 3 games, drawing 2 and losing 0. Well done!

## ECO CLUB

This week some of us made bird feeders from pine cones, lard and sunflower hearts. We took them home as we have to be careful in school not to attract rats! We are taking part in the RSPB big schools birdwatch on Monday 19th February and will share our results with you.

The rest of our group completed our healthy living audit and will formulate an action plan at our next meeting and update you then.

Have a lovely half term.

if you have any difficulty logging in, please email Linda and she can show you what details the system expects from you, which should hopefully set you on your way!

Thank you!

Poldhu Class are collecting PET 2 bottles (e.g., large and small water and soft drink bottles that can be remade into 3d printing filament) for a project that they will be starting after February half term.

We would be grateful for all donations please! The PET2 logo will be displayed as below.

## GUIDANCE ON MEASLES OUTBREAKS

There have been recent localised outbreaks of measles centred around the West Midlands. There is a risk of further outbreaks in other areas unless urgent action is taken to increase Measles, Mumps and Rubella (MMR) vaccination take up in areas with low MMR vaccine rates.

Measles spreads very easily among those who are unvaccinated, especially in nurseries and schools. The best protection against measles for children and adults is to get both doses of the MMR vaccine. It is never too late to have these vaccinations.

The following UKHSA guidance is available on GOV.UK:

- [Health protection in children and young people settings, including education - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/health-protection-in-children-and-young-people-settings-including-education)
- [Managing outbreaks and incidents - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/managing-outbreaks-and-incidents).

The NHS also has the following advice for parents on measles:

- [Measles - NHS \(www.nhs.uk\)](https://www.nhs.uk/conditions/measles/)

DfE has published an [Education Hub blog](#) with guidance on measles and the MMR vaccine for parents, nurseries and schools.

## **SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE**

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

# School emergency closures

## A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

### Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at [www.cornwall.gov.uk/schoolclosures](http://www.cornwall.gov.uk/schoolclosures) and on our social media channels.

- **Twitter**  
[www.twitter.com/TFFCornwall](http://www.twitter.com/TFFCornwall)

### Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

### Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
