MESSAGE FROM MISS BLACKBURN

Dear parents and carers

A huge thank you to FOBS and all of the parents involved in the Christmas Fayre. It was such a lovely atmosphere; the decoration was wonderful and Christmassy and the children really enjoyed it. Thank you to Amy also, the choir sounded delightful.

It is a hive of Christmas activity at the moment, I look forward to seeing you all at the Christmas performances next week.

Have a lovely weekend

Paula Blackburn

CLASS UPDATE

Rosemullion Class

We've had a very exciting few weeks in Rosemullion Class, and Christmas has now started in full swing!

In History, the children made their own family crests and thought about the values that are important to them. You can also come and see our classroom timeline, where we have shown lots of different kings and queens.

There's been an obsession with motors in DT and the children have loved making electrical contraptions.

In R.E., we have been learning about the Nativity story and differences between Christians and Muslims. In Science, we have been finding out what animals eat and where they live.

We have also been practising our play The Grumpy Sheep, and the children are very excited to perform it next week! In PE, the children really enjoyed learning hockey.

Our Reception children have loved playing in Santa's Workshop in the role-play area. The KS1 children have really enjoyed Curious Quests and have been learning about money in Maths.

It has been a fun and busy start to the festive season!

FOBS NEWS

Christmas Fair and Winter Social

Thank you so much to everyone who came to support the Christmas Fair!

We raised a massive £436.95 which is a brilliant result and will go a long way towards our target for the playground.

Thank you to all the helpers, bakers, tidiers, makers, crafters, shoppers and eaters!

We hope your kids had a lovely magical time too.
Happy Christmas

NITS!

We have been advised that nits are on the rampage yet again.

Please check your child's hair for nits and take immediate action if you spot their presence.

The most effective way to remove nits without using chemicals is to:

Wash hair, smother it with the cheapest conditioner and comb through with a nit comb. Repeat every day for a week – that catches the eggs too.

If your child has long hair, please keep it tied back as that also reduces the risk of catching these creatures.

MESSAGE FROM DEVON AND CORNWALL POLICE

As children are now writing their Christmas lists to Santa, we would like to inform parents that E-scooters are illegal in public places and can only be ridden on private land with the landowner's permission. Therefore, we are trying to discourage these as a Christmas present idea.

There are also limitations on E-bikes.

SWISS STUDENTS – HOST FAMILIES REQUIRED

Last summer we successfully hosted 3 Swiss Students at Boskenwyn school.
In previous years, we have hosted more than this.

The children really enjoy having the Students present in their classes, and the Students have a fabulous time both at the school, and with their host families.

This year, we will be hosting our Swiss students from Sunday 21st June to Saturday 4th July 2026..

Host families receive £350 per student. For that, you will need to provide accommodation, all their meals, bring them to school and pick them up each day. (We are happy to send more than one student to the same family and the students can share a bedroom). The students are all CRB checked and they can provide proof of this. The students will be aged around 17-18 years old. They are German speaking and they all speak excellent French and English.

Please let Linda know If you are interested, so we can give a rough estimate of numbers to the Swiss School.

They are looking to accommodate 160 students this year – so every place is gratefully accepted!

If you have any questions, please do ask!

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
