MESSAGE FROM MISS BLACKBURN

Dear parents/carers

I hope you all have had a lovely week.

We've been busy this week showing our European visitors from the Erasmus Project around both our schools, sharing traditional songs with them and escorting them around our beautiful county - despite the weather at times!

We hope they've enjoyed seeing our schools as much as we've enjoyed hosting our guests.

Our Poldhu Class is midway through a 2 week intensive swimming program. They have been swimming every afternoon this week, and they have all of next week to enjoy doing the same. They have all been brilliant - and dare I say it, they have taken to their swimming lessons like fish to water!

Our classes have now settled into a good routine, and the children are all putting maximum effort into their learning. Please can I thank those parents who bring their children to class on time. There have been just a few late children recorded this week, but it really does disrupt the class when children are late - so please can I appeal to you again to bring your children in to school on time?

I do hope you all manage to relax over the weekend and enjoy this mild autumn weather.

Best wishes, Paula

CLASS UPDATE

Church Cove Class Update

We have had a very busy but exciting start to the year in Church Cove class. The Year 3's have settled really well into their new classroom, and the Year 4's have been perfect examples for their start to KS2.

We have been exploring number sense in Maths, looking at place value and rounding. We have been learning all about different types of nouns and verbs in English. Inquiry has been a joy so far, with the children retaining a remarkable amount of information about the Stone Age!

We have been learning about bones and muscles in Science, and practicing our football skills in PE. We have also been learning a Stone Age rap with Mr Height, and are beginning to make instruments to use alongside it.

REMINDERS

Please remember to close all gates as you enter and leave the school grounds to help keep our children safe.

If you arrive after 8.45 (KS2) or 9.00 (KS1) please take your child to the office to sign them in.

If your child is going to be off, please phone the school office, 01326 572618, before 8:45am.

Take care with children when crossing the road as some traffic is travelling very fast.

Please do not park across the staff car park and obstruct the entrance.

SWISS STUDENTS

Last summer we successfully hosted 5 Swiss Students at Boskenwyn school, the previous year we hosted 6 students.

The children really enjoyed having the Students present in their classes, and the Students had a fabulous time both at the school, and with their host families.

This year, we will be hosting our Swiss students from Sunday 23rd June to Saturday 6th July 2024.

Host families receive £300 per student. For that, you will need to provide accommodation, all their meals, bring them to school and pick them up each day. (We are happy to send more than one student to the same family and the students can share a bedroom). The students are all CRB checked and they can provide proof of this. The students will be aged around 17-18 years old. They are German speaking, but they all speak excellent French and English.

If you are interested, please let Linda know so we can give a rough estimate of numbers to the Swiss School.

FOOTBALL LEAGUE TEAM

On Monday we took part in our first football league fixtures. The team played two games, in our first game we lost 2-0 against Wendron School and in our second game we lost 3-0 against Porthleven School.

The children really enjoyed themselves and are already looking forward to their next games in November.

MUSIC LESSONS

Woodwind lessons are available with our CMST teacher, Sophie, on Tuesday afternoons. We currently have just one child receiving woodwind lessons.

You can sign up for saxophone, flute, clarinet, oboe, bassoon and recorder via CMST.co.uk. Lots of lesson price options and subsidies are available for qualifying households.

POLDHU CLASS NOTICE!

Swimming lessons continue this coming week for Poldhu Class.

Your children will need a fresh swimming kit every day – including a towel.

FOBS NEWS

Please find us on Facebook "Boskenwyn FOBS", it's a useful information sharing platform for everything school related.

Your FOBS Team

We are delighted to announce that Reception parent Nicky Richardson has taken on the role of FOBS Chair for now.

Nicky will liaise with the school about events and then get the FOBS team organised.

As Nicky is new to the school it will very much be a team effort:

Nicky will be assisted by Sophie Hertzum (year 3 parent) who is the Vice-Chair (helps to organise events etc) and Tiffany Thompson (year 3 parent) who is the Secretary of FOBS (takes notes in meetings, helps at events).

Also on the FOBS committee is Ben Harrington (year 3 parent) who is the Treasurer. Ben deals with all of the money raised at FOBS events, does the banking and provides the cash floats and a card machine at events as well as helping out.

There are also plenty of parents who are part of FOBS and help out when they can.

PARKING OUTSIDE THE SCHOOL

Recently, we have received comments that it is difficult to get clear access to or from the school due to cars parking outside the school which are blocking the road.

Please can we ask you to park respectfully when collecting your children? Other parents or guardians, local residents and possibly emergency services need clear access along our narrow lane.

We deliberately separate arrival and departure times for KS1 and KS2 children to enable parents to arrive and leave before the next tranche of parents. If you are collecting your KS1 child and do not need to wait for a KS2 sibling, then please can you drive away to give your parking place to another parent?

As lovely as it is for parents to chat in the school grounds,, we simply do not have the parking space to accommodate this.

CHOIR CLUB IS BACK!

Choir Club will take place on Wednesday lunchtimes at 1pm from Wednesday 27th September with Amy Woodburn and Chloe Wills.

It will be held in the Poldhu Classroom and is for KS2 children only.

Please can you let Linda know if you want to reserve a place in the Choir.

We will hold a reserve list if this club becomes too popular!

IB learner profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

The Federation of Boskenwyn and Germoe Schools Home-School Promise

Aims:

Our home-school promise aims to outline effective ways in which we can agree to work together to foster and maintain respectful and pro- active relationships with you and your child as they move through our schools.

As a pupil, I promise to:

- Come to school with a positive attitude to learning
- Have mutual respect for my classmates and the staff
- Respect the resources, the classroom and whole school environment
- Be a positive role model in my community
- Try my best when learning and use the 4B's to help me
- Complete some home learning with my family or on my own
- Use online technology at school and at home safely and responsibly

As a parent/carer, I/we promise to:

- Ensure my child attends school regularly and on time and in the correct uniform
- Ensure my child is collected on time unless I have informed the school otherwise
- Notify the school of any illness
- Give my child time every day to listen to them read or read to them or ask them questions about their reading
- Support my child's progress when learning at home
- Support school policy on learning and behaviour
- Ensure the school has up to date emergency contacts
- Notify the school if my child has any allergies/dietary requirements
- Notify school of any problems at home which may impact their learning or well-being
- Support the school in the teaching of safe internet use at home
- Attend parent consultations to discuss my child's learning and progress
- Regularly check emails, school website, Seesaw and/or social media for important school information
- Respond promptly to communications from the school where required
- Help my child to have a positive attitude to learning
- Talk positively to my child about their school day

As a school, we promise to:

- Be open and welcoming, offering parents the opportunity to be involved in the life of the school
- Provide information and opportunities to support and reinforce learning at home
- Communicate regularly via email, text, website, (social media, phone, letter and face to face may also be used)
- Provide a bespoke, inquiry based curriculum which inspires and enriches
- Ensure children are sufficiently encouraged, supported and challenged
- Have high aspirations for what your child can achieve now and in the future
- Give children the tools to become confident, 21st century, lifelong learners
- Support children to feel safe and have a trusted adult to open up to
- Continue to learn and develop professionally and adapt our practice where we see the benefit of improvement
- Be available at the beginning or end of the school day to answer immediate queries or concerns
- Notify parents of events in good time via school website/email

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
