MESSAGE FROM MISS BLACKBURN

Dear parents and carers

Thank you to those who attended the parent governor meeting this week. It was great to receive feedback and ideas for future developments from those who attended. It would be lovely to see more of you at the meetings, all are invited.

The biggest spanner in the works this week has been to the drainage system at school. The tank is situated under the play area and we found out this week that the tank has disintegrated and we need to have lots of work carried out to repair the drainage system; this will cause a delay in the new play equipment being installed as we have had to postpone until the drainage is sorted. We will keep you updated.

Have a lovely weekend

Paula Blackburn

CLASS UPDATE

Church Cove Class

We have had an exciting start to our half term in Church Cove Class!

We have been learning to tell the time, estimate, add and subtract using column method in Maths. We have been growing watercress without a certain nutrient in each pot in Science and writing about this experiment in a recount in English.

In Inquiry, we have started learning about the Ancient Romans and we are starting to delve into the Roman invasion of Britain. In PE, we have used our knowledge of the Ancient Romans to perform different tactics used by the Roman army during the reign of Emperor Augustus.

We have also been practising our swimming at Helston Leisure Centre. We have learned about the different notes on xylophone and glockenspiels, while using Three Little Birds as our song to play our instruments to. In RE, we have been learning about the story of Noah's Ark. We have used hot-seating as a method to learn more about the perspectives of characters in the story.

Finally, Germoe and Boskenwyn in Year 3&4 took part in their first football matches of this term, playing other schools in the surrounding Helston area. We played 3 matches and learned lots about playing as part of a team. Well done footballers!

ECO CLUB

This week in Eco club we have followed Rowan's suggestion for painting with mud but expanded it with natural ingredients colours.

Many options were brought in by children including mud, turmeric root, grapes, raspberries, grass, mushrooms, flower petals, seeds, mustard, and beetroot.

It was an amazing experience and the smell in the room was exquisite.

Next week we are going to do it again; after some practise today we can explore and expand it further.

Please bring in some natural ingredients we can use next Thursday.

Have a lovely weekend

The Eco Club.

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
