MESSAGE FROM MISS BLACKBURN

Dear parents and carers

I hope you had had a lovely week. We have done lots of exploring in the Isles of Scilly with the most beautiful weather. The children have been wonderful. Everywhere we go, people stop us to tell us how well behaved and polite our children are. They are a credit to you.

Have a lovely half term.

Paula Blackburn

CLASS UPDATE

Church Cove Class

What a wonderful week Miss Willoughby and I have had in Church Cove. It has been lovely getting to know all the children and seeing their thirst for learning.

This week in maths, year 3s have been working on comparing and ordering numbers and we added in some rounding at the end of the week. Year 4s have been learning more about Roman numerals and have been calculating with them.

I have enjoyed reading their setting descriptions. They write well, painting a picture in the reader's mind.

We have enjoyed being out in the sun and have played some cricket games.

I feel that what they have enjoyed most is making their posters in science. I have learnt about many different animals, and it is brilliant to see them so engaged and proud of their learning.

Thank you again Church Cove for making Miss Willoughby and I feel so welcomed (and showing us where things are)!

ECO CLUB

On the 20th May it was world bee 🐝 day. We celebrated it in this week's Eco club meeting by making Bee bowls. It's been such a lovely weather and of course, like us, bees need to drink in order to do their important job of pollinating plants. We also made some birdbaths as well. Especially because we are not around for the next two weeks.

We have also been designing the school grounds with what each Eco Warrior would want to add. Lots of ideas came up: from beehives to living roofs, living walls, a sensory garden, raised beds, fruit canes, lots of flowers and fruit trees. Did you know that only 8 fruit trees make an orchard?

Looking at the seeds we planted last week, it seems the radishes have taken on pretty much straight away and we have lots of new seedlings. The wildflower seeds we sent home have also flourished.

Have an amazing holiday, two lovely weeks off; fingers crossed the weather will stay.

The Eco Warriors.

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
