MESSAGE FROM MISS BLACKBURN

Dear parents and carers

A huge congratulations to our children for braving our talent shows this week. It is always amazing to see how much they have progressed from the previous one. They are so brave and they have so much fun at the same time. It is also lovely to see how much they encourage one another. Well done everyone!

The photos attached are a couple from our staff meeting last night! Thank you to Mr Conway for arranging a wellbeing evening at Mullion Cove and well done to Team BG staff for their participation and overcoming their fears.

As this is the last newsletter of the school year, I would like to wish you all a wonderful Summer. Keep safe and have fun!

See you on Tuesday 3rd September.

Best wishes, Paula Blackburn

CLASS UPDATE

Church Cove Class

We have had a very busy few weeks in Church Cove class. We have had the pleasure of welcoming Linn and Meret, who are students from Switzerland, into our classroom, as well as Riley, a student from Helston Community College. The children have thoroughly enjoyed sharing our classroom with them for the weeks that they have been in school and will miss them dearly.

We have been continuing to inquire into our topic of Cornwall My Home this half term. We visited the River Cober in Helston and measured its depth, speed and width in different areas of the river. We also visited St Michael's Mount with Rinsey class from Germoe and learned about the Mount's tales and history. The children have made forms of physical geography found in Cornwall as part of their home projects this term, and look forward to putting them on display in our class exhibition this half term.

We have been writing character descriptions and our own narratives in English, while completing our own investigations in Science. We have also been playing rounders in PE, which we thoroughly enjoy.

DINNER MENU CHANGES

On the last few days of term, we have a Specials menu and of course
PASTY DAY!

Here follow the menu choices for each changed day:

Monday 22nd July – Specials Menu

Beef or beef & cheese quesadillas
or Chickpea & tomato stew with cheese/vegan cheese quesadilla
all of the above with either salad or beans.
Jacket potatoes remain an alternative option.
Dessert: fruit salad

Wednesday 24th July – Pasty Day

Steak or cheese and onion pasties
Or Sausage rolls or vegan sausage rolls.

There are no jacket potatoes available so if your child is unable to eat the pasties or sausage rolls above, you will need to provide a packed lunch. If your child would like to join in Pasty Day but is unable to eat the pasties on offer, please feel free to bring your own pasty in for us to heat up for your child.

MUSIC LESSONS

If your child would like to learn to play an instrument or take singing lessons, please sign up through [CMST.co.uk](https://ukcmst.co.uk). There are a range of lesson lengths and pricing options. You may be eligible for subsidies which could cover the full cost of the lessons.

When you go onto the website, you need to select the option to sign up and then enter Boskenwyn School to show you the lessons we currently have taking place.

If your chosen instrument, or singing option is not shown, then please add your name to the expression of interest on the right hand side of the page. If there is enough interest, then the musci teacher will make contact with the school to see when these lessons can take place.

The screenshot shows the registration page for Cornwall Music Service Trust. At the top, there is a URL bar with the address <https://ukcmst.speedadmin.dk/registration#/>. Below the URL bar is the Cornwall Music Service Trust logo and name. A blue banner contains the text: "PLEASE CLICK HERE TO SEE OUR NEW PRICES FROM SEPTEMBER 2024". Below this banner, there is a paragraph of text: "Please use the menus below to view and make an application for instrumental lessons currently offered by CMST at your child's school or a music centre, or to join an ensemble. If the instrumental discipline your child is interested in is not shown, please check with the school if they have other provision, and then [click here](#) to be added to an expression of interest list."

The page is divided into two main sections for registration:

- Find lessons in your school:** This section has a dropdown menu for "Boskenwyn Community Primary School" and a search input field with a magnifying glass icon.
- Apply for Lessons at a Music Centre or to Join an Area Ensemble:** This section has a dropdown menu for "Please select" and a search input field with a magnifying glass icon.

Below these sections is a "Search results" section. It features a dropdown menu for "Selected school" with "Boskenwyn Community Primary School" selected. Below this, there are two white boxes with blue borders containing the text "Guitar" and "Woodwind".

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
