MESSAGE FROM MISS BLACKBURN

Dear parents and carers,

I would like to take this opportunity to congratulate our year 6 children who have completed their SATs this week. They were invited into school for early breakfast to get them in the mood then did grammar, spelling, reading and maths papers. We are all so proud of them as I'm sure you are too.

Next week, I will be in Paris with the Y5/6 children but I will still be contactable by email. The lead teachers at school will be Miss Burns and Mrs Larcombe. The deputy designated safeguarding leads are Mrs Larcombe and Mrs Rusga who can be contacted by phone or by email so if you have any safeguarding concerns then please report to them in the first instance. If you have any worries/concerns about your child then your first port of call, as always, will be your child's classteacher.

Have a lovely weekend!

Paula Blackburn

CLASS UPDATE

Rosemullion Class

We have had a great week in Rosemullion getting into our routine and enjoying continuing with our inquiry exploring Cornwall. We looked at Flora day which happened in Helston last Wednesday and we looked at how Henry Trengrouse invented life saving devices to help rescue people from the sea.

We have started our new sport in PE and the children are showing great skills in basketball. We are all hoping that the weather is good for the weekend.

From everyone in Rosemullion class.

ECO CLUB

Our litter pick this week produced only one bucket of rubbish and most of that consisted of a big piece of cardboard. This was pleasing and perhaps a result of wanting to use the new shiny bins? Or our class litter monitors are doing a good job? We all decided though we need to aim to be completely litter free and look forward to a week when there is nothing to pick.

We monitored our recent plantings, made more bug hotels and planted some carrots, which we hope to give to the school kitchen.

We spoke about biodiversity and decided it would be nice to put up some bird boxes. If anyone has any to donate or would like to come in and host a bird box making workshop, we would be delighted.

Don't forget, if you want to make a difference in your locality, we have long handled litter pickers to loan out.

Enjoy a hopefully sunny weekend.

NEURODIVERSITY TOOL INFORMATION

Parents of children and young people who are showing signs of neuro-developmental needs can now access a new tool which can help identify what support would be beneficial.

Here are the details of an online event which you can sign up to:

HOUSEHOLD SUPPORT FUND

The entitlement criteria for automatic payments from the Household Support Fund is changing.

To be entitled to a payment from the Household Support Fund in 2024, you must be responsible for at least one child and on 3rd June 2024 either:

- be entitled to Council Tax Support or
- have been placed in emergency accommodation by the Council

You will receive £80 per child. If you are already in receipt of Council Tax Support, then you will receive your payment automatically.

To find out if you are eligible for Council Tax Support, please check the information here <https://www.gov.uk/benefits-calculators>.

You can make a claim for Council Tax Support by using this link <https://www.cornwall.gov.uk/benefits-and-support/council-tax-support/apply-for-council-tax-support/>

It is important that you submit your application by 31st May 2024.

You may also be entitled to help from the Household Support Fund via one of the Household Support Fund partners. Details are:

<https://www.cornwall.gov.uk/benefits-and-support/household-support-fund/>

Why have we made this change?

Because entitlement to Free school meals has been protected since 2018, parents of children entitled to free school meals aren't always still on a low income. By using Council Tax Support data, we can ensure that the Household Support Fund is going to parents who currently have a low income and are struggling with the increased costs of running their home. By better targeting the awards, we are able to help families with children of any age, rather than just school age children.

Families of children in receipt of free school meals can still access help through the Time2Move holiday programme. This scheme offers fun physical activities, games and wider activities plus a meal for all children during the main school holiday periods.

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
