CLASS UPDATE

Rosemullion Class

We have had a busy week in Rosemullion class. The children were very excited about the changes that have happened in the classroom, although we will have to think of a new name for the Green Room!

We introduced our new topic of Dinosaurs and the children have made and created ammonites using salt dough. We have also been busy practicing our sports day events in preparation for next Monday.

We hope you all have a lovely weekend!

ECO CLUB

After 2 weeks off we decided to re-pot the seedlings. There were lots of them! Some of the re-potted seedlings went home for the Eco Warriors to plant at home, but the majority have been moved into larger pots to grow for our school lunch. Everyone did a wonderful job!

To receive our Eco flag this year we need to make an Eco-Code, this is a school promise to protect our planet. We thought it would be great to focus on our outside area which we are trying to expand into a greener and more biodiverse area.

We thought of trying to develop a small pot orchard. If anyone has a little fruit tree they could/want to donate, we would be very grateful. We don't need many to make an orchard.

Children could make up posters, poems or songs to use which we could make as part of our Eco-Code and orchard project.

Wishing everyone a wonderful weekend,

The Eco Warriors.

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
